Following the Governments recent announcements on mass testing in schools, we are keen to support the control of this virus and ensure education can happen as effectively as possible for all our students. In response we are asking for expressions of interest from people who are willing to be trained up and help us test students for COVID-19 in school. No obligation at this stage. Further information will follow in the new year, following the release of more detailed Government guidance.

We will offer £9.25 an hour for your support.

Enhanced DBS checks would be required.

Please send expressions of interest to rapidtesting@woodrush.org
