

We've been making changes and adaptations to make The Hub a safe and fun place to be. Below, we've listed some of the ways in which things might be a little different. Don't worry though, we are here to guide you every step of the way and we can't wait for you to come back and enjoy our café facilities.

## **BEFORE YOU ARRIVE**

Please self check you do not have any of the following symptoms:

- High temperature
- A new, continuous cough
- A loss of change to your smell and taste

If you have any of these symptoms or feel unwell, please stay home & stay safe.

## **YOUR SAFETY IS OUR TOP PRIORITY**

- Please use the available hand sanitiser when you arrive at the hub. Hand sanitiser stations are accessible as you enter and exit.
- Please follow the signage on the doors and floors in order to safely navigate your way around The Hub and adhere to social distance guidelines.
- Please make sure that you stay in your clearly-marked, designated areas whilst you are using the café facilities.
- Due to a limited number of seating areas available, the café can only be used by customers who purchase from our café.
- You should remain socially distanced or within your household or support bubble.
- All children should be accompanied by an adult.
- Please follow the guidance on face coverings.
