Children Missing in Education Policy

Policy Author	D Monk (Deputy Headteacher)
Responsible LGB Committee	Standards
Date Ratified	July 2023
Status	Statutory
Policy Review	July 2026

Statement of Intent

All children are entitled to a full-time education, regardless of their circumstances. Unfortunately, children missing education (CME) risk underachieving, being victims of abuse, and not being in education, employment or training (NEET) in later life. Worcestershire Local Authority has a legal duty to identify when there are CME and help them back into education. This policy highlights what our school will do to help the LA with its duty.

1. Legal framework

1.1. This policy has due regard to legislation and statutory guidance, including, but not limited to, the following:

- DfE (2018) 'Working together to safeguard children'.
- DfE (2021) 'Keeping children safe in education'.
- DfE (2022) Working together to improve school attendance'
- DfE (2016) 'Children missing education'.
- DfE (2018) 'School attendance'
- The Education Act 1996
- The Education Act 2002
- The Education and Inspections Act 2006
- The Children Act 1989
- The Children Act 2004
- The Education (Student Registration) (England) Regulations 2006 (as amended in 2016)
- The Education (Student Information) (England) Regulations 2005 (as amended in 2018)
- The School Information (England) Regulations 2008 (as amended in 2018)
- The Education (Provision of Full-Time Education for Excluded Students) (England) Regulations 2007 (as amended in 2014)

If Woodrush is aware of a child who is not in a fulltime education due to medical difficulties, exclusion or other circumstances, the Local Authority has duty under section 19 education act to ensure educational provision is made. Please download the [section 19 protocol \(PDF\)](#) for more information.

This policy is written in conjunction with - [Children Missing Education Policy \(CME\) \(worcestershire.gov.uk\)](http://www.worcestershire.gov.uk)

2. Definitions

2.1. For the purpose of this policy, a "child missing education" is defined as a child or young person of compulsory school age who is not attending school, not placed in alternative provision by an LA, and who is not receiving a suitable education elsewhere. This definition also includes children who are receiving an education, but one that is not suitable; this could include children who are not receiving fulltime education suitable to their needs, e.g., age, ability, aptitude, SEND.

3. Why children miss education.

3.1. There are a number of reasons as to why children miss school, including the following:

- 3.1.1.** Failing to be registered at a school at the age of five.
- 3.1.2.** Failing to make a successful transition.
- 3.1.3.** Exclusion
- 3.1.4.** Mid-year transfer of school
- 3.1.5.** Families moving into a new area.

3.2. Aside from these reasons, if a child is missing from school, particularly repeatedly, this can act as a vital warning sign of a range of safeguarding concerns, such as the following:

- 3.2.1.** Abuse and neglect – including sexual abuse or exploitation and criminal exploitation.
- 3.2.2.** Mental health issues – such as risk of substance abuse, risk of travelling to conflict zones, risk of FGM or risk of forced marriage.

4. Children at particular risk of missing education

- 4.1. As there could be many reasons for a child to be missing from education, the LA will make a judgement on a case-by-case basis. The following list indicates students who are most at risk of missing education:
- 4.1.1. **Students at risk of harm or neglect** – where this is suspected, local child protection procedures will be followed; however, if a child is in immediate danger or at risk of harm, a referral will be made immediately to children's social care (and the police if appropriate). The LA officers responsible for CME will check a referral has been made and will contact children's social care if this is not the case. Should there be a reason to suspect a crime has been committed or the child's safety is at risk, the LA will contact the police.
 - 4.1.2. **Children of Gypsy, Roma and Traveller (GRT) families** – when a GRT student leaves the school without naming their next destination school, the school will contact the LA. If necessary, the school will consult the LA Traveller Education Support Services/named CME officer for advice on the best strategies to ensure minimal disruption to the GRT student's education.
 - 4.1.3. **Children of service personnel** – the school will contact the Ministry of Defence Children's Education Advisory Service for advice to ensure continuity of education for these children.
 - 4.1.4. **Missing children/runaways** – should the school suspect a child has gone missing/run away, an appropriate staff member will consult the DfE for advice on missing children.
 - 4.1.5. **Children and young people supervised by the Youth Justice System** – in this case, LA youth offending teams are responsible for supervising children (aged 8 to 18). Where a young person is registered at the school prior to custody, the school will keep the place open for their return.
 - 4.1.6. **Children who cease to attend school** – where the reason for a child who has stopped attending a school is not known, the LA will investigate the situation.
 - 4.1.7. **Children of migrant families** – there is an increased risk of a child missing education if they are part of a new migrant family who may not yet have settled into a fixed address, or may have arrived into an LA area without the authority becoming aware.

5. Roles and responsibilities

The school

- 5.1. The school will enter students on the admissions register at the beginning of the first day on which it has been agreed by the school, or the day that the school has been notified, that the student will attend the school.
- 5.2. In the event that a student fails to attend the school on the agreed or notified date, the school will undertake reasonable enquiries to establish the reason for this absence and will consider notifying the LA at the earliest opportunity.
- 5.3. The school will keep an accurate and up-to-date admissions register by encouraging parents to inform them of any changes.
- 5.4. The school will monitor students' attendance through a daily register.
- 5.5. The school will agree with the LA what intervals are best to inform them of students who are regularly absent from school, or who have missed 10 school days or more without permission.
- 5.6. Where a student has not returned to school for 10 days after an authorised absence or is absent from the school without authorisation for 20 consecutive school days, the school will remove the student from the admission register if the school and the LA have failed to establish the whereabouts of the child after making reasonable enquiries.
- 5.7. The school will notify the LA if any student is to be deleted from the admission register in the circumstance outlined in Regulation 8 of the Education (Student Registration) (England) Regulations 2006 (as amended in 2016).
- 5.8. Students who remain on the school roll are not necessarily missing education but will be monitored and attendance will be addressed when it is poor.
- 5.9. The school will arrange full-time education for excluded students from the sixth school day of a fixed-period exclusion.
- 5.10. The school will provide information to the LA regarding standard transitions, if requested to do so by the LA

Staff Members

- 5.11. All staff will be alert to the potential need to implement early help for a student who is frequently missing/goes missing from care or home.
- 5.12. All staff will be aware of the school's unauthorised absence and children missing from education procedures.
- 5.13. Where staff have concerns about students relating to CME, staff will use their professional judgement and knowledge of individual students to inform their decision as to whether welfare concerns should be escalated to the DSL or their deputy.

The Local Authority

- 5.14. Under the Education Act 1996, the LA has a duty to establish the identities of children in the area who are not registered students at a school and are not receiving education provision otherwise.
- 5.15. The LA will provide full-time education for permanently excluded students from the sixth school day of a fixed-period exclusion.
- 5.16. When it is brought to the LA's attention that a child may not be receiving a suitable education, the LA will serve notices on parents to assure the LA that their child is receiving such an education.
- 5.17. The LA will issue School Attendance Orders to parents who fail to assure the LA that their child is receiving a suitable education, and the LA believes that the child should attend school.
- 5.18. The LA will prosecute parents that do not comply with a School Attendance Order.
- 5.19. The LA will prosecute or fine parents/carers of school-registered children who fail to ensure their child attends school regularly.
- 5.20. The LA will ensure that children identified as not receiving suitable education are returned to full-time education either at the school or elsewhere.
- 5.21. The LA will ensure that the school demonstrates prompt action and effective early intervention procedures to ensure children are safe and receiving suitable education.
- 5.22. The LA will apply to court for an Education Supervision Order for a CME.
- 5.23. The LA will ensure that children who return to full-time education are appropriately supported, considering the reasons why they missed education in the first place.
- 5.24. Students with SEN statements, or EHC plans, can be home educated. If the statement/EHC plan sets out the provision that the student should receive at home or names a school where the provision will be received, but the parent/carer chooses to home educate the child, the LA will arrange the provision and ensure that it is suitable to the child's special educational needs. The LA will review this statement annually.
- 5.25. The LA is responsible for liaising and sharing information with other agencies to support children who miss education.
- 5.26. The LA is responsible for referring to the LA children's social care where there is concern for a child's welfare, as well as the police if there is reason to suspect a crime has been committed.

WCF Section 19 Process

- 5.27. WCF Section 19 Process
 - 5.27.1.** School will notify Worcestershire Children First once a student has been absent for 10 days or has been permanently excluded. These notifications will be sent via the Children's Service's portal to WCF.
 - 5.27.2.** The Exclusions Officer will follow the WCF exclusions process to ensure that the excluded child or young person is allocated an educational provision within 6 days. This provision fulfils the Local Authority's duty under Section 19.
 - 5.27.3.** The Education Absence Monitoring Officer will monitor notifications, and contact schools for the following reasons as needed:
 - 5.27.3.1.** Clarification of absence coding, particularly where B and D codes are used.
 - 5.27.3.2.** Clarification of medical absence, offering advice and guidance to schools in supporting those children unable to attend due to medical difficulties.
 - 5.27.3.3.** Gather information to consider if the Local Authority have a duty under Section 19 to support a child's education.

5.27.3.4. In the case of a child with medical difficulties, sight of an Individual Healthcare Plan (IHP), with supporting medical evidence will be requested.

5.27.3.5. If the child or young person is not able to attend school due to other circumstances, evidence must be provided and an Early Help Assessment (EHA) completed, unless the child or young person has a named social worker.

5.28. If the Education Absence Monitoring Officer considers that the Local Authority have a duty under Section 19 the following process will be followed:

5.28.1. The child or young person will be discussed at the weekly Section 19 Panel meeting, using the IHP and any medical evidence or other suitable evidence as a basis for discussion. This meeting will be attended by the Group Manager for Vulnerable Learners, Senior Education Adviser, CME and 16+ Team Lead, Access to Education Team Lead, Education Absence Monitoring Officer, a SEND representative and other colleagues from WCF where appropriate for individual cases, for example a Social Worker, Family Support Worker, SEND support services or Virtual School representatives.

5.28.2. A decision will be made at the Section 19 Panel meeting as to whether the Local Authority have a duty to fulfil under Section 19

5.28.3. For each child or young person discussed at the Section 19 Panel meeting, and deemed appropriate for Section 19 support, a provisional plan for an alternative suitable education will be made within 5 school days

5.28.4. The Senior Education Adviser will liaise with parents, school and the appropriate alternative education providers to confirm a Section 19 plan (See appendix 1) for the child or young person to ensure a suitable education is in place within 10 days of the Section 19 Panel meeting

5.28.5. The Section 19 plan will state clear, time framed objectives, linked to outcomes for the child and young person, always working towards the ultimate goal of returning to full time appropriate education

5.28.6. The Section 19 plan will become part of the IHP or the EHA to ensure regular review and monitoring.

Parents

5.29. Parents are responsible for ensuring that their children, who are of compulsory school age, are receiving suitable full-time education.

5.30. Parents are responsible for notifying the school in writing where they will be home schooling their child, in order for the child to be removed from the admissions register.

5.31. Parents will notify the school regarding any absences or changes to the students' education arrangements.

5.32. Parents are responsible for providing the school with more than one emergency contact number where possible.

6. Induction and training

6.1. The safeguarding response to children who go missing from education will be explained to staff during their induction.

6.2. All staff will receive annual safeguarding and child protection training, including an update on the various safeguarding concern possibilities that CME could represent, any changes to the early help process and staff members' role in this process.

7. Working with others

7.1. Families moving from one LA to another can sometimes lead to a child being lost in the system and consequently missing education. When a child moves, LAs will work with other LAs, regionally or nationally, to ensure this does not happen.

7.2. The LA will raise awareness of its procedures with local schools, partners and agencies working with children and families.

7.3. To assist them in tracing CME, the LA has contacts with the Department for Work and Pensions, the UK Border Agency and HMRC.

7.4. The school uses a secure internet system, school2school, to allow schools to transfer student information when a child moves education setting.

8. Safeguarding

- 8.1.** For the purpose of this policy, “reasonable enquiries” are defined as limited, investigative powers that the school may action to determine a child’s whereabouts and whether they may be in danger.
- 8.2.** In line with the Children Act 2004, the school will follow appropriate procedures when carrying out reasonable enquiries, such as the DSL conducting discussions with neighbours, relatives or landlords, to determine whether a child may be at risk of harm.
- 8.3.** The DSL will record that they have completed these procedures and, if necessary, make a referral to the children’s social care or police.
- 8.4.** Where the whereabouts and safety of a child is unknown, the school, in conjunction with the LA, may carry out the following actions:
 - Make contact with the parent/carer, relatives and neighbours using known contact details.
 - Check local databases.
 - Check data transfer systems such as school2school or Key to Success.
 - Follow local information sharing arrangements and making enquiries via other local databases and agencies where possible.
 - Check with UK Visas and Immigration and/or the Border Force.
 - Check with agencies known to be involved with the family.
 - Check with the LA and school from which the student moved originally.
 - Check with the LA where the student lives, if this is different to where the school is located.
 - Check with the Ministry of Defence Children’s Education Advisory Service in the case of children of Service Personnel.
 - Conduct home visits via an appropriate team, following local guidance concerning risk assessments, and making enquiries with neighbours or relatives, if appropriate

NB. This list is not exhaustive – the school and LA will use their judgement towards what reasonable enquiries are appropriate, once all the facts of the case have been taken into account.

9. Admissions register.

- 9.1.** The school will ensure that the admissions register is kept up-to-date at all times, and will encourage parents/carers to notify the school of any changes as they occur, such as via email or newsletters.
- 9.2.** Students will be recorded on the admissions register at the beginning of the first day on which it has been agreed by the school, or the day that the school has been notified, as the date that the student will attend the school.
- 9.3.** Once a student has been recorded on the admissions register, the school will notify the LA within five days, and will supply the LA with all of the details contained on the admissions register for the new student.
- 9.4.** Where a parent/carer notifies the school that a student will live at another address, the school will record the following information on the admissions register:
 - The full name of the parent/carer with whom the student will live.
 - The new address
 - The date from when it is expected the student will live at this address.
- 9.5.** Where a parent notifies the school that the student is registered at another school, or will be attending a different school in future, the school will record the following information on the admissions register:
 - The name of the new school
 - The date when the student first attended, or is due to attend, that school
- 9.6.** Parents can elect to educate their children at home and will subsequently withdraw them from school. This can happen at any time unless the student is subject to a School Attendance Order. If a parent notifies the school, the student will be deleted from our admission register and inform the LA

10. Removing a student from the admissions register

- 10.1.** The school will inform the LA of any student who will be deleted from the admission register where they:
 - Have been taken out of school by their parents and are being educated outside the school system, e.g., home-schooled.
 - Have ceased to attend school and no longer live within a reasonable distance of the school.

- Have been certified by the school medical officer as unlikely to be in a fit state of health to attend school before ceasing to be of compulsory school age, and neither they nor their parent has indicated the intention to continue to attend the school after ceasing to be of compulsory school age.

- Have been permanently excluded.
- Have died.
- Have been registered at another school where it is not indicated this should be the case.
- Are registered at more than one school but have failed to attend the school and the proprietor of any other schools concerned have consented to the deletion.
- Have been granted authorised leave but have failed to attend school within 10 school days after the period of authorised absence ended, and: – There is reason to believe the student is not unable to attend school. – The LA and school are unable to determine the student’s whereabouts after making joint reasonable enquiries.
- Have been continuously absent from school for a period of not less than 20 school days, and: – The absence was not authorised. – There is reason to believe the student is not unable to attend school. – The LA and school is unable to determine the student’s whereabouts after making joint reasonable enquiries.
- Will cease to be of compulsory school age before the school next meets, and the relevant person has indicated the student will not attend the school, or the student does not meet the academic entry requirements for sixth form.

10.2. The school will notify the LA that a student is to be removed from the admissions register as soon as any of the above criteria are met, and no later than the time at which the student’s name is actually removed.

10.3. If a student’s name is to be removed from the admissions register, the school will provide the LA with the following information:

- The full name of the student
- The full name and address of any parent/carer with whom the student lives.
