For year 11 science we have defined all the **Core Knowledge** that all year 11 students must master to be successful in their year 11 exams. We are using an application called Carousel Learning in lessons, for homework and to support student revision to raise the attainment and progress of students in year 11.

GCSEPod is a convenient way of providing students with exactly the subject knowledge they need to succeed, in short, sharp, student-friendly 3-5 minute chunks. Small Pods to watch and revise from.
