Dear Parent / Carer,

Our **Year 11 and 13 Targeted Intervention Evening** is on **Thursday 6th March from 4.00pm until 6.30pm**. The purpose of this evening is for teachers, parents/carers and students to have face to face, in school targeted intervention appointments where we can discuss what we can all do to ensure your child makes as much progress as possible. The process for bookings is slightly different and is outlined below:

1. Bookings are currently open to staff who will make appointments with those students who will benefit most and are most in need of an intervention appointment.
2. Bookings open to parents/carers on **Friday 28th February at 6.30pm**. At this point parents/carers will be able to amend any bookings made by staff, and book their own appointments with teachers where there is availability. Please bear in mind that this is an intervention evening for both Year 11 and 13 and so there will be less availability for appointments than on a typical consultation evening.

Year 11 and 13 Mock exam reports will be given to students in a mock exams results morning and emailed out to parents / carers on Tuesday 4th March, so you will be aware of your child's attainment and progress in advance of this evening. This will help inform the intervention appointments that you will like to book. We appreciate that this is very close to the evening, but this is due to having to give staff time to mark and moderate exams and for us to collate this data into our reports. We have had a very tight turnaround so that students and parents/carers can be informed about their child's attainment and progress as soon as possible in advance of the intervention evening.

## How to book appointments:

All bookings can be made using "SchoolCloud", which is an easy-to-use online appointment booking system. This allows you to choose your own appointment times with your child's teachers and you will receive an email confirming your appointments.

Appointments can be made using "SchoolCloud" from **Friday 28th February at 6.30 pm** and will close on **Thursday 6th March at 3.00pm**. Amendments to your bookings can be made using a link on the confirmation email and logging into the "SchoolCloud" booking system. On the evening, please enter through the main gate into student services and you will be directed to your appointments.
