Woodrush Art Club (Years 7–9)

I am delighted to be bringing **Woodrush Art Club**, a weekly after-school club for students in Years 7–9, to school starting in September 2026.

The club will provide students with the opportunity to explore their creativity in a relaxed and supportive environment outside of the classroom. Each week we will focus on different artists, themes, techniques and materials, encouraging students to experiment, develop new skills and create work they can be proud of.

No previous experience is necessary and the club is suitable for all abilities, whether your child already enjoys art or simply wants to try something new.

About Art with Becca

I am an artist and arts facilitator running art groups and creative workshops across Worcestershire and Warwickshire. I work with children, adults, schools, charities and community organisations, creating welcoming spaces where people can explore their creativity, develop new skills and build confidence through art.

My sessions encourage experimentation, creative thinking and self-expression, while providing a calm and supportive environment where everyone feels able to have a go.

Students attending Woodrush Art Club will have the opportunity to:

- Explore a variety of artists, styles and techniques
- Experiment with different materials and creative processes
- Develop confidence, creativity and problem-solving skills
- Create artwork to take home each week
- Enjoy dedicated time to unwind and be creative at the end of the school day

Materials may include acrylic paint, watercolour, oil pastel, soft pastel and mixed media.
