Statement of intent

At Woodrush High School we take our responsibility towards the safety of staff and pupils very seriously. To that end, we use Closed Circuit Television (CCTV) cameras to monitor the members of our school in a very specific way.

The law states that we can use a CCTV system to monitor our premises, providing our system complies with the Data Protection Act 1998.

The purpose of this policy is to manage and regulate the use of the CCTV system at the school and ensure that:
